What is this type of insurance?

This product is designed to protect you against a financial shortfall if your vehicle is written off (and is not repaired or replaced) by a motor insurer.

What is insured?

In the event of your vehicle being declared a total loss, this insurance will pay:

- ✓ the difference between the motor insurer's settlement at the point of total loss and the greater of either:
 - a) the cost of a replacement vehicle (matching the original vehicle specification or an equivalent superseding model in the event this is no longer available), or
 - b) the original purchase price paid for your vehicle, or
 - c) if you purchased your vehicle under a finance agreement (except where the policy is transferred) the amount outstanding on finance.
- ✓ Any motor insurance policy excess up to £250.

What is not insured?

- ✗ Any claim where there is not a valid total loss claim accepted by your motor insurer.
- ✗ Any claim where you have declined an offer to repair your vehicle and asked for the claim to be dealt with as a total loss.
- ✗ Any claim where you have the option to receive a new replacement vehicle from your motor insurer.
- ✗ Any insured vehicle which is owned temporarily or otherwise as a result of a trade-in or acquisition for the purposes of resale, by a business formed for the purposes of selling or servicing motor vehicles.
- ✗ Any insured vehicle which is used for competition, racing, pace making, off road use, hire or reward (e.g. taxi or driving instruction), courier services, delivery services, haulage or transportation of goods.
- ✗ Any excess deducted from your motor insurance settlement above £250.
- ✗ Any theft or malicious damage claim which is not accompanied by a valid and substantiated crime reference number.
- ✗ Any claim (except for theft claims) where the total loss is caused by an accident when the driver of your vehicle is found to be over the legal limit for alcohol; or is unfit to drive through alcohol, or is unfit to drive through the use of drugs.
- ✗ Additional costs within the invoice or the finance agreement for anything other than the purchase of your insured vehicle, or any additional options unless they are listed on the vehicle manufacturer's original specification.
- ✗ Any claim relating to any arrears or any finance carried over from a previous finance agreement, arrears on a finance agreement for your vehicle, the cost of fuel, surrenderable road fund licence, insurance premiums or warranty costs.
- ✗ Contract Hire and Lease Vehicles.
- ✗ Any vehicle that you have purchased from a non-VAT registered supplier.
- ✗ A bus, coach, commercial vehicle, emergency vehicle, grey import, kit car, military vehicle, motorcycle, motorhome, scooter or van.
