### Your duty of disclosure if you are a sole trader, partnership or limited company

**Please note:** This applies if **you** are a sole trader, a partnership or a limited company taking out this insurance contract wholly or mainly for purposes relating to **your** business, trade or profession.

Under the Insurance Act 2015, **you** have a duty to make a fair presentation of the risk to **us** before this policy starts and when **you** make any amendment(s) to **your** cover. This means **you** must:

- disclose all material facts which **you** know or ought to know;
- ensure that every material representation of fact is substantially correct and made in good faith.

A 'material fact' is information that would influence **our** decision as to whether to insure **you** and if so, on what terms.

For the purposes of the duty of fair presentation, **you** are expected to know the following:

1. If **you** are an individual (such as a sole trader or an individual partner):
  - What is known to **you** and anybody who is responsible for arranging this insurance; or

If **you** are not an individual (such as a limited company or a partnership):

- What is known to anybody who is part of **your** organisation's senior management (this means those people who play significant roles in the making of decisions about how **your** activities are to be managed or organised), or anybody who is responsible for arranging this insurance;

2. What should reasonably be revealed by a reasonable search of information available to **you**. The information may be held within **your** organisation, or by any third party (including but not limited to subsidiaries, affiliates, the broker, or any other person who will be covered under the insurance). If the insurance is intended to insure subsidiaries, affiliates or other parties, **you** are expected to have included them in **your** enquiries and inform **us** if **you** have not done so. The reasonable search may be conducted by making enquiries or by any other means.

If **you** breach **your** duty to make a fair presentation of the risk to **us**, then:

- where the breach was deliberate or reckless, **we** may avoid this policy and refuse all claims and keep all **premiums** paid;

- where the breach was neither deliberate nor reckless, and but for the breach:
  - a) **we** would not have agreed to provide cover under this policy on any terms, **we** may avoid this policy and refuse all claims, but will return any **premiums** paid;
  - b) **we** would have agreed to provide cover under this policy but on different terms (other than **premium** terms), **we** may require that this policy includes such different terms with effect from its commencement, and/or
  - c) **we** would have agreed to provide cover under this policy but would have charged a higher **premium**, **our** liability for any loss amount payable shall be limited to the proportion that the **premium** **we** charged bears to the higher **premium** **we** would have charged. For example, if due to a breach of fair presentation **we** charged a **premium** of £100.00, but **we** should have charged £200.00, for a claim submitted and agreed at a settlement value of £2,000 **you** will only be paid £1,000.

### Transferring your policy if you sell or change your vehicle

If **you** sell or change **your** vehicle, **you** may transfer the remaining period of insurance to a replacement vehicle provided **you** continue to meet the eligibility requirements. **You** must notify the **administrator** prior to **us** accepting the transfer.

A new **Policy Schedule** will be issued confirming the replacement vehicle details and the new cover option. More than one transfer during the **period of insurance** is subject to a £35.00 administration fee, which is charged by the **administrator**. In addition, where the replacement vehicle is deemed to be of a higher risk, a further additional premium may be required. The **administrator** will confirm any change to the **premium** when **you** contact them. Continuation of cover will only apply from the **start date** shown on the new **Policy Schedule**.

**You** must also tell **us** about any changes to **your** circumstances such as:

- a change of address;
- a change of name (for example, by marriage);
- if **you** change the way that **you** use **your** vehicle (for example, **you** start using it for business purposes);
- if **you** make any modifications to **your** vehicle; or
- if **you** change **your** registration number to a cherished number plate.

This is not a full list and **you** should contact the **administrator** if **you** are unsure if **you** should tell **us** about a change in circumstances.

### Transferring your policy

**You** cannot assign this policy to anyone else and the policy will end on the date **your** vehicle is sold by **you** to another party.

## Section 3 - What is covered

In the event of **your** vehicle being declared a **total loss**, this Insurance will pay the greater of either:

- a) the difference between the motor insurer's settlement at the point of **total loss** and the original **purchase price** paid for **your** vehicle, or
- b) if **you** purchased **your** vehicle under a finance agreement (except where the policy is transferred) the amount outstanding on finance.

In addition, **we** will pay up to £250 towards the excess deducted from **your** motor insurer's **total loss** valuation, unless it can be recovered from a third party or any other insurance policy. This will form part of the maximum claim limit shown in the **Policy Schedule**.

The maximum amount **we** will pay is restricted to the claim limit shown in the **Policy Schedule**.

## Section 4 - What is not covered

8. Any claim where the **total loss** occurs outside the **geographical area**.

  - a. is found to be over the legal limit for alcohol in the country in which the accident occurs; or
  - b. is unfit to drive through alcohol, or
  - c. is unfit to drive through the use of drugs:
    - i. not prescribed by a registered medical practitioner, or
    - ii. prescribed by a registered medical practitioner, in respect of which, a warning against driving is given.

14. Any claim arising directly or indirectly from:

- a) **war** or acts of **terrorism**

## Section 5 - General conditions

1. **Your vehicle** must be insured by a motor insurer authorised and regulated in the UK for its full **market value**.  
  
If **you** only have third party, fire and theft insurance **you** can only make a claim on this insurance for a **total loss** due to fire or theft.  
  
If the motor insurer reduces the amount it pays under **your** motor insurance policy because of **your** contributory negligence or due to the condition of the insured **vehicle**, **we** will reduce the amount **we** pay under this policy by the same percentage.
2. For this insurance to become effective:
  - a) **your** motor insurer must declare **your vehicle** a **total loss**,
  - b) **your** motor insurer must make a payment to **you** in settlement of **your** claim, and

3. In the event of a **total loss**, **you** must contact the **claims administrator** within 45 days of receiving a **total loss** offer from **your** motor insurer.
